Pursuant to section 801(a)(2)(A) of title 5, United States Code, this is our report on a major rule promulgated by the Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS), entitled “Medicaid Program; Optional State Plan Case Management Services” (RIN: 0938-AO50). We received the rule on December 4, 2007. It was published in the *Federal Register* as an interim final rule with comment period on December 4, 2007. 72 Fed. Reg. 68,077.

The interim final rule with comment period revises current Medicaid regulations concerning case management and targeted case management services. The interim final rule with comment period clarifies the situations in which Medicaid will pay for case management activities and when payment will not be available.

Enclosed is our assessment of the CMS's compliance with the procedural steps required by section 801(a)(1)(B)(i) through (iv) of title 5 with respect to the rule. Our review indicates that CMS complied with the applicable requirements.

(ii) Agency actions relevant to the Regulatory Flexibility Act, 5 U.S.C. §§ 603-605, 607, and 609

CMS certifies that the interim final rule with comment period will not have a significant economic impact on a substantial number of small entities.
